

Communion Assistants 10:00

May - August 2008

1. Check in at the Welcome desk
2. Go behind the alter after the Lord's Prayer
3. You will be handed either a plate or a cup. You will say "the body of Christ, given for you" if you are distributing the wafers. You will say "the blood of Christ, shed for you" if you are holding the cup.
4. If you are by the pianist, or the Praise & Worship Group, please offer them communion.
5. Put the cup and plate back on the altar.

If you can't participate on your assigned day, please switch with someone else. This is important for all jobs including cookies and kitchen clean up. No one can do communion alone and no one wants to clean up after cookies alone.
